#### **Discuss Comments Received on the Draft Master Plan**

A list of comments received via email and the general comments portal of the Master Plan website were reviewed and discussed. In all, there was general agreement with the vision, goals and strategies set forth. The Committee decided not to get into more granular comments unless they were matters of fact, and to instead focus on trends for the future. Many of the comments resulted in modifications being made to the Plan and its vision statement.

#### **Public Comment**

Comments from the public were welcomed during the discussion. There were no additional public comments.

#### **Minutes, Next Meeting and Other Business**

The minutes of October 10, 2023 were reviewed. On a motion by Beth to approve the minutes, there was a second offered by Chris. The motion was unanimously approved.

The next meeting will be held to review comments on the Plan. Meeting date to be determined.

A hard copy of the Master Plan with revisions agreed to based on comments will be provided to the Planning Board. It was thought that the Plan could be adopted with its Implementation Chapter being held for adoption at a later date.

#### **Adjourn**

At 6:50 PM, Chris offered a motion to adjourn. Brian seconded the motion. There was unanimous support for the motion to adjourn.
