#### **Discuss Revised Chapters 9 and 10**

The Committee first addressed the format of the chapters. Chris is not a fan of the color blue which pervades the plan, but understood its use since the Town uses that color for its logo and signs. The screen on the cover of each chapter will be removed so the photograph is crisp. The banner on the alternate page bottoms should be on the odd pages. The revised chapters 9 and 10 were reviewed. Revisions including additions were made. When the revisions are added to the draft, the chapters will be posted to the Master Plan website.

#### **Public Comment**

Nancy made comments during the discussion and had nothing further to add.

#### **Minutes, Next Meeting and Other Business**

The minutes of February 21, 2023 were reviewed. On a motion by Brian to approve the minutes, there was a second offered by Chris. The motion was unanimously approved.

The next meeting will be held in June as soon as there are two more chapters to review.

There was no other business.

#### **Adjourn**

At 6:55 PM, Beth offered a motion to adjourn. Brian seconded the motion. There was unanimous support for the motion to adjourn.
